

News Release: 27/2019

26 June 2019

NATO Human Security Workshop

On 18th to 20th June 2019 the Human Security Workshop was held at NMIOTC.

The subject workshop was organized by SPP ACT and the aim was to promote and explore “What Human Security means for NATO”, and the objectives were to update the community on the near term objectives for Human Security, to explore training initiatives for Human Security and to examine the long term opportunities within this domain.

The event brought together twenty nine participants (29) from twelve (12) NATO nations and partners.
