March 2020

NMIOTC Presentation at NATO Military Committee / Permanent Session **NATO HQs, Brussels**

On Monday March 9th 2020, the NMIOTC Commandant, Commodore Stelios Kostalas GRC (N), was invited to the NATO HQs in Brussels and presented to the NATO Military Committee/ Permanent Session (MC/PS) the activities of the Center, under the title “Shaping the Maritime Human Capital through Innovative Education and Training”.

The NMIOTC Commandant briefed the members of the MC/PS on the mission, training capabilities and undertaken tasks of NMIOTC in coping with current and future challenges for the Alliance emerging in the Maritime Domain.

It is worth mentioning that this has been the first time that a NATO Training Center had the opportunity to present its activities at such a high NATO administration level.
