## **Course 21000** **(Medical Combat Care In Maritime Operations)**

Resident Course 21000 “Medical Combat Care in Maritime Operations” was conducted at NMIOTC’s premises from 14<sup>th</sup> to 25<sup>th</sup> September 2020.

The goal of this course was to transfer knowledge and enhance trainees’ skills so as to provide combat medical care from the point of injury in the mission/theatre until the final transfer to the closest Medical Treatment Facility.

Twelve (12) participants from three (3) Countries attended the course (Greece, Japan and USA). Training was delivered from Subject Matter Experts (SME’s) certified as National Association of Emergency Medical Technicians (NAEMT) instructors and other augmenters specialized in Stress Management, telemedicine and HAZMAT. In addition, an assigned Medical Director was closely monitoring all medical interventions performed throughout the Course in absolute coherence with NAEMT’s policies, and regulations.
