12th NMIOTC ANNUAL CONFERENCE 2021

"Opportunities and threats from Innovative and Disruptive technologies. Shaping the future of Security in the Maritime Domain"

Date: Tuesday 1st to Wednesday 2nd of June 2021.

Location: Souda Bay, Chania, Crete, Greece at the NATO Maritime Interdiction Operational Training Centre (NMIOTC).

Event Description: Under the aforementioned title of the 12th NMIOTC Annual Conference 2021, our intentions are to discuss issues and share perceptions of the international community on how technological innovations will impact maritime security, considering the full range of disruptive technology implications in the maritime community.

Security Classification: The Conference has no classification marking and it is open to all interested participants. We anticipate for participation from NATO, Partner Nations, International Organization, Non-Governmental Organization, non - NATO Entities and the broader community of interest, as well as representatives deriving from military organizations, Law Enforcement Agencies, Academia, Judiciary and Ministerial Authorities, private sector and defence industry.

The **Chatham House Rules** will apply throughout the Conference.

Language: The working language will be English. No translation will be provided.
