1. WIT is an established capability within NATO, with training courses delivered regularly at venues throughout the alliance under the auspices of the Counter Improvised Explosive Devices Centre of Excellence (C-IED COE). The current capability, however, is centered around the land operating environment, with lessons learned and technical solutions derived primarily for this domain. It has however, been identified that while the current NATO WIT training course fulfills a generic requirement, complex areas of operation require specific attention in order to establish the capability to operate in challenging environments. These environments include the maritime area of operations. This NMIOTC Course will endeavor to facilitate a common knowledge and skill level commensurate with the challenges and limitations faced in including Maritime-WIT (M-WIT) operations.

2. NMIOTC is pleased to invite NATO and 7 NNN partner nations to participate in this event, which will take place at the Centre's premises in Souda Bay, Chania, Greece, from **24 to 28 May 2021**.

3. The aim of the course is to educate and train NATO Nation and 7 NNN WIT personnel in NATO Tactics, Techniques and Procedures (TTPs) to conduct Level 1 – Field Exploitation tasks on board vessels and other maritime infrastructure, as well as in the Underwater Environment, in support of C-IED operations.

4. The target audience is WIT-qualified Military and Law Enforcement Personnel (or those qualified with national/multinational 1st Level Technical Exploitation / Field Collection skills) involved in Technical Exploitation / Forensic Investigation in their respective units or organizations.

5. The course will be conducted in English. Translation to/from other languages will not be provided. The following proficiency standards in English are required to attend: Listening- Good (2), Speaking- Fair (2), Reading- Good (2), and Writing- Fair (2) (STANAG 6001).

6. The course is marked as “NATO Restricted / Releasable to 7 NNN partner nations”. NMIOTC applies security arrangements and regulations according to NATO standards.

7. The curriculum of Course 23000 includes the following modules:
- a. **Module 23010** - Overview of the Maritime IED threat
 - b. **Module 23020** - The NATO WIT Process
 - c. **Module 23030** - Maritime WIT Procedure and Scene Investigation

NOTE: A detailed agenda will be included in the Joining Instructions which will be released in due course. Training modules are subject to change.

8. In order to pass the course and acquire the relevant certificate, participants must attend at least 85% of the modules of the course. Assessment of trainee performance will be accomplished during the practical training. Trainees will demonstrate skills during practical drills and scenarios and will be assessed by NMIOTC Instructors. All necessary diving operations will be carried out by the NMIOTC EOD Divers.

9. The tuition fee of the course is **980 €** per person. Comprehensive payment instructions can be found in Enclosure 1.

10. The course will start on **Monday, 24 May and will end on Friday, 28 May 2021**. The training schedule will run from 08:30 to 15:00 daily.

11. With the current COVID-19 situation, due to the Greek de-escalation plan and the preventive and protective measures that have been implemented, it is been determined that it is possible to execute this course. When registration closes, we will evaluate if this is still valid. Delegates who are registered will be updated by e-mail regarding any measures towards COVID-19 that must be undertaken, which may include cancellation of the course.

12. For organizational purposes, candidates are kindly requested to register **no later than (NLT) Friday 30 Apr 2021**. Registration should be made on NMIOTC's official web site <http://nmiotc.nato.int/join-us/individual-application-form/> by submitting the application form, or alternatively saving it as pdf and emailing it to studentadmin@nmiotc.nato.int. Due to the high demand for this training, prospective attendees are requested to refrain from making travel arrangements until participation is confirmed by NMIOTC. All efforts will be made to

ensure a diverse representation of participating nations. Comprehensive administrative instructions are provided in Enclosure 1.

13. Event details can be found on the NMIOTC official web site www.nmiotc.nato.int and in the Education and Training Opportunities Catalogue (ETOC) at <https://e-itep.act.nato.int/Guest/ETOCindex.aspx>.
