

News Release: 21/2021

15 July 2021

### **NMIOTC COURSE 1000 “COMMAND TEAM ISSUES”**

Course 1000 “Command Team MIO Issues” was delivered as a tailored training from 12 to 16 July 2021 by NMIOTC.

The objective of the course is to assist Staff Officers and Naval Units’ Command Teams in the efficient application of NATO common standards in the planning and execution of Maritime Interdiction Operations (MIO).

The course was attended and successfully completed by a Maltese SOF Team.
