## **Visit of the Chair of NATO Military Committee, Admiral Rob Bauer (RNN)**

On Friday, September 17, 2021, the Chief of General Staff, General Konstantinos Floros, and the Chairman of the NATO Military Committee, Admiral Rob Bauer (CMC), visited the NATO Maritime Interdiction Operational Training Center (NMIOTC).

During his visit the Chief of HNDGS had the opportunity to stress that NMIOTC provides a high level of training, receiving positive reviews on a long-term basis, both at NATO and international level. In addition, he emphasized the active support provided to the Center by its 7 founding members, as well as the continue involvement of the United States and the United Kingdom in its activities with the rotating contribution of their experienced trainers.
