## **NATO Nuclear Policy Symposium**

From 3 to 4 November 2021, the NATO Nuclear Policy Symposium organized by NATO Nuclear Policy Directorate and supported by the General Directorate of National Defence Policy and International Relations of the Hellenic Ministry of Defence, was hosted at NMIOTC's premises with eighty nine (89) participants coming from NATO capitals, Headquarters and relevant Organizations.

The NATO Nuclear Policy Symposium is the alliance's main nuclear policy event. It focused on a wide range of topics associated with nuclear capability, including ways to bolster the Alliance's deterrence and defense posture, further arms control objectives and identify priorities for adapting NATO's nuclear policy.
