Individual Training And Education Program Planning Board (IPB) II And Department Head Forum

From 26 to 28 October 2021, the Annual Department Head forum as well as the second Individual Training and Education Program Planning Board (IPB II) for 2021, organized by ACT, were hosted sequentially at NMIOTC's premises with forty seven (47) in person and sixteen (16) virtual participants from NATO relevant Organizations and entities.

The purpose of the ITEP Planning Board (IPB) was to support the NATO Education and Individual Training (E&IT) Production Planning Process (PPP) facilitating the production of the annual NATO ITEP and providing a forum for the stakeholders to discuss related issues.

The purpose of the DH forum was to support the Global Programming Approach, providing the DHs the opportunity to discuss common topics, to coordinate interdisciplinary issues and to exchange good practices.
