NMIOTC Course 6000 – “Weapons of Mass Destruction in MIO”

Resident Course 6000 “Weapons of Mass Destruction in Maritime Interdiction Operations” was conducted from 21st to 25th of February 2022 at NMIOTC premises.

The course provided participants with familiarization, deeper understanding and appreciation of the strategic, operational and tactical challenges and issues of MIO focusing on WMD proliferation and material trafficking.

In total six (6) trainees coming from three (3) countries (Georgia, Greece and the United Kingdom) attended the course.

Subject Matter Experts from respected authorities such as JCBRND COE, US DTRA and Hellenic National General Staff provided support to the course as Augmenters, in addition to the Centre’s Instructors and Lecturers.
