

News Release: 24/2022

23 May 2022

Medical Support Annual Discipline Conference (ADC) and Military Medical Training Working Group Meeting (MMT WG)

From 17 to 19 May 2022, the Medical Support Annual Discipline Conference and Military Medical Training Working Group Meeting were hosted at the NMIOTC's premises.

In total 27 delegates from NATO Organizations and National relevant entities participated in the meeting.

The aim of the Medical Support ADC was to review and update requirements, validate or adjust the education and training (E&T) solutions to ensure E&T remains aligned with evolving Alliance needs, technology and resources, and provide nations with an opportunity to advertise courses open to NATO and Partner Nations.

The aim of the MMT WG was instead to provide military medical specialized advice on Education, Training, Exercises and Evaluation (ETEE) to Committee of the Chiefs of Military Medical Services (COMEDS).
