

News Release: 27/2022

31 May 2022

NATO Maritime Operational Law Course

NATO Maritime Operational Law Course was conducted from 23 to 27 May 2022 at NMIOTC premises under the auspices of NATO SCHOOL Oberammergau (NSO) in cooperation with the United States Naval War College (USNWC), the Centre of Excellence for Operations in Confined and Shallow Waters (CSW COE) and NMIOTC.

Course objective was to foster development of professional relationships while training military/civilian legal advisors and naval officers in legal considerations pertaining to the planning and execution of NATO maritime operations.

Twenty nine (29) trainees from eleven (11) nations attended the course (Belgium, Germany, Italy, USA, Netherlands, Spain, United Kingdom, France, Denmark, Switzerland, Czech Republic,)
