

News Release: 37/2022

22 July 2022

Training of Estonian Police and Border Guard Team

From 4th to 15th of July 2022 an Estonian Police and Border Guard Team received a comprehensive training package that included theoretical and practical aspects in order to improve trainees' skills and performance in NATO Tactics, Techniques and Procedures (TTPs) in Maritime Interdiction Operations (MIO).

Twelve (12) members of the Estonia Police and Border Guard participated in this training.
