9 September 2022

15th Allied Cryptographic Task Force (ACTF) Meeting

From 5th to 9th of September 2022, the 15th Allied Cryptographic Task Force (ACTF) Meeting, led by Alliance Strategic Command, took place at the NMIOTC premises. It was attended by 70 participants from 21 Allied Nations.

The aim of the meeting was to discuss cryptographic modernization and transformation issues, to plan for operational contingencies and mitigation measures in the wider context of cryptographic risk management and additionally, to provide a forum for the NATO Commands to engage with NATO nations on the operational aspects of cryptographic situation awareness.
