

News Release: 41/2022

12 September 2022

Training of Estonian Police and Border Guard Team

From 29 August to 9 September 2022, an Estonian Police and Border Guard Team received a comprehensive tailored training package that included theoretical and practical aspects in order to improve trainees' skills and performance in NATO Tactics, Techniques and Procedures (TTPs) in Maritime Interdiction Operations (MIO).

Eleven (11) members of the Estonian Police and Border Guard participated in the training.
