

News Release: 42/2022

13 September 2022

Training of German Navy Boarding Team

From 29 August to 9 September 2022, a German Navy Boarding Team conducted a tailored training that included theoretical and practical aspects in order to improve trainees' skills and performance in NATO Tactics, Techniques and Procedures (TTPs) in Maritime Interdiction Operations (MIO) as well as in Close Quarter Combat (CQC).

Eleven (11) members of the German Navy participated in the training.
