

News Release: 62/2022

15 November 2022

## **ACT's "MARITIME INFORMATION SERVICES CONFERENCE 22"**

From 8<sup>th</sup> to 11<sup>th</sup> November 2022, the Maritime Information Services Conference (MISC 22), organized by the Allied Command Transformation (ACT), was conducted at the NMIOTC premises.

The objective of MIS Conference was to discuss, evolve and solve the Maritime Command and Control (C2) information and program development issues, by bringing together the Maritime C2 community (NATO and Nations).

The conference was attended by 87 participants, coming from NATO HQs and 17 NATO countries (Norway, Denmark, Canada, Germany, Netherlands, Romania, Turkiye, Belgium, Poland, Greece, France, Lithuania, Italy, Spain, Portugal, the UK and the USA).

During the conference, office calls to NMIOTC Commandant were conducted by the Branch Head (Operational Command and Control – ACT) Captain Joao Silva PRT (N) and the Naval Attache of Turkiye in Athens, Captain Ozan Ozant Karatas TUR (N).
