SUBJECT: **INVITATION LETTER FOR “UNDERWATER POST BLAST EXPLOITATION (UPX)” TRAINING, 08 to 12 May 2023**

DATE: 31 January 2023

REFERENCES: NMIOTC Program of Work (NPOW) 2023

1. **Introduction:** In support of future developments in C-IED and the Technical Exploitation (TE) capabilities across the Alliance, NMIOTC will conduct the Underwater Post Blast Exploitation (UPX) Training, which will be delivered with the cooperation of the FBI and the US Navy Exploitation Unit 1. This training serves as an enhancement as well as an introduction to the field of the Maritime – Weapons Intelligence Team (M-WIT) established capability of NATO and **is inextricably linked to the NMIOTC NATO approved Course 23000 (WIT Supp in the Maritime Environment) scheduled for the following week (15 – 19 May 2023).**

2. **Aim:** The aim of the training is to teach procedures for investigating maritime terrorism incidents. The training will include Diving Operations and the detonation of underwater improvised devices.

3. **Participants:** The target audience is **EOD Divers** exclusively, qualified with national/multinational 1st Level Technical Exploitation / Field Collection skills.

NMIOTC is pleased to invite NATO Member states and 7 NNN partner nations to participate in this event, which will take place at the Centre’s premises in Souda Bay, Chania, Greece, from **08 to 12 May 2023.**

4. **Classification:** The training is marked as “NATO Unclassified / Releasable to 7NNN”. NMIOTC will apply security arrangements and regulations according to NATO standards.

5. **Specific Details:** The training will be conducted in English. Translation to/from other languages will not be provided. The following proficiency standards in English are required to attend: Listening- Functional (2), Speaking- Functional (2), Reading- Functional (2), and Writing- Functional (2) (STANAG 6001).

As a prerequisite during the registration process on the first training day an **Official Military Diving Certificate**, should be provided to the Course Director. All trainees should bring their own diving equipment. NMIOTC will provide tanks and weights upon request during the application (no extra charge).

A detailed agenda will be included in the Joining Instructions which will be released in due training. Training modules are subject to change.

In order to pass the training and acquire the relevant certificate, participants must attend at least 85% of the modules of the training. Assessment of trainee performance will be accomplished during the practical training. Trainees will demonstrate skills during practical drills and scenarios and will be evaluated by the Instructors.

The training will start on **Monday, 08 May and will end on Friday, 12 May 2023**. The training schedule will run approximately from 07:30 to 17:00 daily.

For organizational purposes, candidates are kindly requested to register **no later than (NLT) Friday 07 Apr 2023**. Registration should be made on NMIOTC's official web site <https://nmiotc.nato.int/join-us/individual-application-form/> by submitting the application form, or alternatively saving it as .pdf and emailing it to studentadmin@nmiotc.nato.int. You will have to choose "Conference/Workshop/Other" and then chose "Other Event" here you have to write down the name of the Training "UPX". Due to the high demand for this training, prospective attendees are requested to refrain from making travel arrangements until participation is confirmed by NMIOTC. All efforts will be made to ensure a diverse representation of participating nations. Comprehensive administrative instructions are provided in Enclosure 1.

6. **Participation Fee:** The fee for the training is **1890 €** per person. Comprehensive payment instructions can be found in Enclosure 1. This cost includes daily transportation (from Chania city centre to NMIOTC and vice versa, internal transportation between all training areas), use of RHIBs, safety personnel as necessary (ambulance, dive doctors, security divers, decompression chamber), daily refilling of tanks, Fixed Training Platforms and sea-borne target vessels / boat, IEDs, disruptors and cartridges for IED disposal, Classroom facilities with IT support, Basic Exploitation Equipment, Lunch box on a daily basis, Participation to an Ice Breaker event (dinner).

7. **Covid Restrictions:** With the current COVID-19 situation, due to the Greek de-escalation plan and the preventive and protective measures that have been implemented, it is been determined that it is possible to execute this training. When registration closes, we will evaluate if this is still valid. Delegates who are registered will be updated by e-mail regarding any measures towards COVID-19 that must be undertaken, which may include cancellation of the training.
