

News Release: 14/2023

22 March 2023

## **Course 14000** **“Maritime Improvised Explosive Device Disposal (M-IEDD)”**

From 13<sup>th</sup> to 17<sup>th</sup> of March 2023, the Resident Course 14000 “Maritime Improvised Explosive Device Disposal (M-IEDD)” was conducted at NMIOTC premises.

Course objective was to educate and train EOD personnel to competently undertake IEDD Operations on-board vessels and other Maritime Infrastructure in support of C-IED and related operations. The training covered the subject concepts, philosophy, principles, equipment, ship insertion and Maritime focused IEDD methodologies, as well as best practices in the Maritime environment.

Eleven (11) trainees from five (5) nations attended the course (Canada, Greece, Italy, Latvia, and Poland).

Subject Matter Experts from the Hellenic Police provided support to the course as Augmenters, in addition to the Centre’s Instructors and Lecturers.
