

News Release: 31/2023

18 September 2023

Course 1000 “Command Team MIO Issues”

From 11 to 15 September 2023, NMIOTC conducted the resident Course 1000 “Command Team MIO Issues”. The aim of the course is to assist Staff Officers and Naval Units’ Command Teams in the efficient application of NATO common standards in the planning and execution of Maritime Interdiction Operations (MIO).

Fourteen (14) trainees from eight (8) Nations (Azerbaijan, Bahrain, Colombia, Ireland, Jordan, Slovenia, Tunisia, and Ukraine) attended the course.
