

News Release: 36/2023

3 October 2023

Courses 2000 & 3000 “Boarding Team Theoretical & Practical Issues”

From 18th to 29th of September 2023 the Resident Course 2000 “Boarding Team Theoretical Issues” and 3000 “Boarding Team Practical Issues” were conducted in tandem at NMIOTC premises.

Course “2000” provided theoretical training to Boarding Teams in order to better plan and conduct Boarding Operations. Course “3000” which followed, focused on the associated practical training for safe and effective Boarding Operations.

In total, twenty nine (29) trainees from twelve (12) NATO, and Partner countries (Algeria, Belgium, Croatia, Ireland, Jordan, Morocco, Romania, Serbia, Slovenia, Tunisia, Qatar and Ukraine) attended both courses.
