## **7<sup>th</sup> NMIOTC Cyber Security Conference**

From 27<sup>th</sup> to 28<sup>th</sup> September 2023, the 7<sup>th</sup> NMIOTC Conference on Cyber Security in Maritime Domain took place at the NMIOTC premises.

The Conference, one of the major annual events organized by NMIOTC, was attended by 124 participants from 23 Allied and Partner Nations, coming from military and civilian establishments, representing International Organizations, academic community, shipping and defense industry.

The Chief of Staff of the Hellenic Navy General Staff, Rear Admiral Georgios Floros and Deputy Chief Informations Officer (NATO HQ) on Cyber Security, Mario Beccia delivered the keynote speeches.

The aim of the Conference was to encourage participation in discussions regarding cyber security in the maritime domain and cyber defense operations, in a collaborative environment, towards tackling cyber security issues in a holistic and comprehensive way.
