

News Release: 03/2024

22 February 2024

Course 30000 “NATO Identity Intelligence Analyst in a Complex Environment”

From 12 to 16 of February 2024, NMIOTC conducted the resident Course 30000 “NATO Identity Intelligence Analyst in a Complex Environment”.

The aim of the course is to develop NATO analysts who can leverage identity intelligence (I2) to enhance analysis and production in order to inform command decisions in NATO Joint Operations Area (JOAS). The I2 Analyst course is also intended to provide a place to share lessons learned and develop analytical techniques.

The course had seven (7) lecturers from Denmark, Romania and USA, and was attended and successfully completed by twelve (12) trainees coming from seven (7) Nations (Bulgaria, Croatia, Greece, Poland, Romania, Sweden and USA).
