

News Release: 2/2024

13 February 2024

Course 1000 “Command Team MIO Issues”

From 5 to 9 February 2024, NMIOTC conducted the resident Course 1000 “Command Team MIO Issues”. The aim of the course is to assist Staff Officers and Naval Units’ Command Teams in the efficient application of NATO common standards in the planning and execution of Maritime Interdiction Operations (MIO).

Sixteen (16) trainees from six (6) Nations (Italy, Georgia, Lithuania, Morocco, Ukraine, and USA) attended the course.
