Cyber Security Training for Blue Teams
“Guardian Blue 2024”

From 26th February to 1th of March 2024, the 1st iteration of Cyber Defence Training for Blue Teams – “Guardian Blue 2024”, organized by NMIOTC with support from SHAPE J6, took place in a live online training format and it was attended by 43 cyber security professionals from 6 Allied Nations.

The aim of the training was to provide a unique training opportunity to Cyber Security Blue Teams (BTs) where they can be acquainted with the latest cyber-attacks, advanced cyber defence tactics, techniques, and best cyber defence practices. Main training objective was to incrementally build and improve the cyber defence hands-on skills of the participant BTs’ members at scale.
