EU PESCO Upgrade Maritime Surveillance Meeting held at NMIOTC

On Friday, May 17th, 2024, the Upgrade Maritime Surveillance (UMS) PESCO Meeting, chaired by Hellenic Navy General Staff, was proudly hosted at the Center's premises.

During the meeting, representatives of the Participating Nations were informed about the progress of the program and provided guidance on imminent activities.

The European Union Permanent Structured Cooperation (#PESCO) aims at deepening the defence cooperation between EU Member States.
