### **Cyber Ops ADC**

From 21<sup>st</sup> to 23<sup>rd</sup> of May 2024, NMIOTC hosted the 10th Cyberspace Operations Annual Discipline Conference (ADC) held by the Department Head for Cyberspace Operations (CO) Discipline, the NATO Cooperative Cyber Defence Centre of Excellence (CCD CoE).

The primary purpose of the Cyberspace Operations ADC was to review and update NATO's Cyberspace Operations training and education requirements and to validate the Education & Training (E&T) solutions offered to NATO. This Conference is the primary forum for discussing and aligning all matters relevant to the Cyberspace Operations E&T Community of Interest.
