22 June 2024

JCBRND-CDG / Training and Exercise Panel Spring Meeting

From 10th to 14th of June 2024, NMIOTC hosted the Spring Joint Chemical, Biological, Radiological and Nuclear Capability Development Group / Training and Exercise Panel (JCBRND-CDG/TEP Meeting).

38 delegates from 18 NATO and partner countries came to NMIOTC to participate in the 22nd Training and Exercise Panel (TEP) Meeting, CBRN Medical Training Team meeting and the AEOLUS 2024 Exercise Main Planning Conference. In addition, more than 15 delegates joined the meetings virtually.

While the Training and Exercise panel focus on the interoperability of NATO CBRN Defence training via standardisation, coordination and subject matter expertise, the CBRN Medical Training Team support the CBRN training and exercises with integrated medical support across domains and ETEE activities.

AEOLUS 2024 MPC planned and finalized various aspects of the first iteration of CBRN Defence exercise AEOLUS 2024, which will take place at NMIOTC from 9th to 13th December 2024. AEOLUS 2024 focuses mainly on the military advice part of CBRN Knowledge Management in joint environment.
