## JALLC LL POCs training

From 16<sup>th</sup> to 18<sup>th</sup> of July, 2024, JALLC Advisory and Training Team (JATT), the mobile training team from the NATO Joint Analysis and Lessons Learned Centre (JALLC), delivered “Lessons Learned Points of Contact” training to NMIOTC, IAMD CoE, NAMFI and Souda Naval Base staff officers at our Centre’s premises.

The goal of this ‘Lessons Learned’ course is to enable LL Points Of Contact (LLPOCs) to support the organizational LL process in accordance to the respective HQ/Unit Standard Operating Procedure.

In total, fifteen (15) participants from five (5) countries (Bulgaria, Greece, Romania, Türkiye and USA) received the aforementioned training. The JATT consisted of three officers-instructors (coming from Lithuania, Portugal and USA).
