

News Release: 57/2024

10 October 2024

Modeling & Simulation for Autonomous Systems (MESAS) Conference 2024

From 1st to 3rd October of 2024, the Modeling & Simulation for Autonomous Systems Conference took place at the Centre's premises. It was attended by 28 participants from 10 Nations (Czech Republic, France, Germany, Greece, Hungary, Italy, Poland, Slovakia, Türkiye and USA).

The aim was to gather experts from Academia, Industry and Military to present and share the latest studies and achievement in the field of artificial intelligence on autonomous systems and related emerging technologies.
