

News Release: 74/2024

30 October 2024

## **UnderSec Project Meeting 2024**

From Tuesday 22<sup>nd</sup> to Thursday 24<sup>th</sup> October 2024, NMIOTC hosted the UnderSec Project Plenary Meeting 2024. 'UnderSec' is a project funded by European Research Executive Agency and is performed by a multinational and interdisciplinary team consisting of experts in the maritime underwater security domain, research/academic institutions and technology, and End-Users Stakeholders.

In total, 27 participants (from Germany, Greece, Israel, Italy, Portugal, Romania and Spain), members of the consortium, attended the meeting.
