

News Release: 79/2024

18 November 2024

## **Pilot Course 32000 “MIO in Maritime Oil and Gas Assets”**

From 11<sup>th</sup> to 15<sup>th</sup> of November 2024, NMIOTC conducted the Pilot Course 32000 “MIO in Maritime Oil and Gas Assets”.

The aim of this course is to train security and MIO planners to understand and assess security threats to offshore oil and gas assets and to support the effective planning of MIO, considering operational, technical and safety characteristics of oil and gas assets while applying advanced security assessment methodologies.

The course was attended and successfully completed by seventeen (17) trainees coming from eight (8) Nations (Greece, Belgium, Bulgaria, France, Germany, Iraq, Malta and Poland) and three (3) observers from Norway and Iraq.
