1. NMIOTC supported by a team of Subject Matter Experts has developed the Course “MIO in Maritime Oil and Gas Assets” in order to provide a comprehensive understanding of the engineering aspects of offshore oil and gas assets, related operations, current industry legal framework, security environment, health and safety issues. The course is designed for operational planners and staff officers from tactical and operational level, without specific oil and gas engineering and operational background. The Course will take place at the Centre’s premises in Souda Bay, Greece, from 10 to 14 Nov 2025.

2. The aim of this Course is to train security and MIO planners properly in order to be able to understand and assess security threats to offshore oil and gas assets and to support the effective planning of MIO, considering operational, technical and safety characteristics of oil and gas assets while applying advanced security assessment methodologies.

3. The target audience is NATO Nations’ and Partners’ personnel functioning as Staff Officers / operational planners, MIO team leaders from tactical, operational NCS/NFS HQs, individual NATO Naval Forces, members of NATO/ Allied Response Force (NRF / ARF). Personnel from Joint Commands and other related agencies (Coast Guard, Port Police, etc.), education and training facilities and equivalent civilian personnel from relevant government/agencies involved in Maritime Security Operations are also eligible to participate.

4. The Course will be conducted in English. Translation to/from other languages will not be provided. The following proficiency standards in English are required to attend: Listening- Professional (3), Speaking- Functional (2), Reading- Professional (3), Writing- Functional (2) (STANAG 6001).

5. The Course is marked as “NATO Unclassified / Releasable to PfP (except Belarus and Russia), MD, ICI, PatG (except Afghanistan)”. NMIOTC applies security arrangements and regulations according to NATO standards.

6. The curriculum of Course includes the following theoretical and practical learning objectives:

- a. The upstream offshore oil and gas sector
- b. Safety and security issues for oil and gas offshore operations and maritime assets
- c. Key legal aspects and concerns in offshore oil and gas related Ops
- d. Planning in MIO/VBSS operations on maritime oil and gas assets
- e. Conduct of MIO/VBSS operations on maritime oil and gas assets for various scenarios

NOTE: A detailed agenda will be included in the Joining Instructions letter, which will be released in due time.

7. The tuition fee for the Course 32000 is **550 Euro per person** and includes transportation to and from the designated hotels and inside NMIOTC premises. The course is not subsidized by PD funds.

9. The course will start on **Monday, 10 November 2025 and will end on Friday, 14 November 2025**, with a daily training period from 08:30 to 15:00. Comprehensive administrative instructions are provided at Enclosure 1.

11. For organizational purposes, candidates are kindly requested to register **no later than (NLT) Friday 10 October 2025**. Candidates from Non-NATO Entities must submit their applications **NLT Monday 28 July 2025**, so that adequate time is provided for NATO approval procedures.
