7th NMIOTC Conference on Cyber Security in Maritime Domain 2023

Date: Wednesday 27th to Thursday 28th September 2023

Location: Chania, Crete, Greece at the NATO Maritime Interdiction Operational Training Centre Premises.

Event Description: The upcoming 7th NMIOTC Conference on Cyber Security in Maritime Domain aims at gathering Subject Matter Experts and the whole Community of Interest in order to provide opportunities to deepen and discuss issues related to the current and emerging cyber threats in the maritime environment. The main scope is to analyze the latest trends in cyber security threats within Maritime Domain and provide guidance on how to counter this evolving and complex 21st century security challenge.

Security Classification: The Conference is unclassified and open to NATO and Partner Nations, Academia, International Organizations and private sector stakeholders.

Language: The working language will be English. No translation will be provided.

Themistoklis Papadimitriou
Commodore GRC(N)
Commandant NMIOTC
