

News Release: 91/2024

19 December 2024

METT in Nouakchott, Mauritania

In the context of the NATO Defence Capacity Building (DCB) program for Mauritania, Maritime Security Initiative, NMIOTC delivered, from 9th to 13th of December, 2024, a 2nd Tailored Training package to **twenty-five (25)** Officers, Petty Officers, Corporals, and Enlisted personnel of Mauritanian Navy, Coastguard and Gendarmerie by deploying for the second year in a row, a Mobile Education and Training Team (METT) at the “Fusiliers Marins” Naval Base in Nouakchott, Mauritania.

During that period, two (2) NMIOTC Sea Trainers/Instructors delivered an advanced theoretical and practical training for improved Maritime Interdiction Operations (MIO) capacity/capability. Additionally they offered their advice on required MIO capabilities in terms of units, equipment and gear to Mauritanian Navy, Coastguard and Gendarmerie.
